Gold and Dinner are one each.

Once they're gone, they're gone for a year.

Gaming Table and Bronze are both \$500 — the difference.

There are only eight casino tables, and a Gaming Table sponsorship puts your business name on one of them for the whole evening. Bronze is the same money without the table — for businesses backing the night once the tables have gone.

Prize Partners.

Silent auction items at \$200 and up — experiences do best. Raffle prizes around the \$100 mark. Items need to be with us by Saturday, September 26.
